Fun Had By All At IFMA-LI 16th Annual Golf Outing

Members and their guests had a blast at this year's IFMA-LI golf outing at Mill Pond Golf Course in Medford. Take a look at some of the photos from the event now posted in the gallery on the IFMA-LI website. Thank you to our sponsors and all who attended. See you next year!

The Future Of L.I.'s Growing Industrial Sector

At the beginning of the month, IFMA-LI, USGBC-LI, and CoreNet Global held a joint event where members and other professionals discussed strategies to help meet the demand for industrial space on Long Island. Take look at some photos taken at the event.

The Latest From The IFMA Website
Does Your Building Need an Electrical Service Upgrade?
The in your building plays a crucial role in your convenience and safety. These circumstances should signal to you that it is time for an electric service upgrade in your building.
